DISTRICT WINNERS

The winning team from each Flight becomes the District 8 Grand National Team Champion for that Flight and is eligible to play in the National Championships held at the 2025 Summer NABC in Philadelphia, PA from July 23 – August 3, 2025. If a team is not planning to compete in the NABC, they must inform the District 8 GNT Coordinator as soon as possible. Winning GNT teams keep any masterpoints won in the District 8 GNT Finals event even if they choose not to compete in the Summer NABC GNT Finals.

District 8 will provide a travel subsidy only to the 1st place team in each Flight, the amount to be determined later. If the 1st place team in a Flight elects not to go to the NABC, the 2nd place team in that Flight will become eligible to go the NABC and receive the travel subsidy if they attend, and so on down the line in order of team placement in the District Finals from top to bottom. To be eligible to receive the District travel subsidy, the winning teams in each Flight must participate in the NABC GNT Finals In-Person until they are eliminated. Furthermore, should the In-Person NABC be canceled and held ONLINE instead of In-Person, for whatever reason, then District 8 will provide no team travel subsidy since no travel would be required. Travel subsidies will be reimbursed after the event. The team captain and team will determine and be responsible for disbursement of the travel funds. The funds will be sent to the team captain from the District 8 Treasurer.

ACBL waives the entry fees for the first two days of the GNT for Flights A, B, and C.

Substitutions and/or augmentations on teams representing the District must not substantively weaken nor improve the team and must be approved by the ACBL Region 7 Director.
