A. Charity events

B. District authorized four (4) free single-session entries, which include:

- 1) District President
- 2) District Treasurer
- 3) District Administrative Secretary
- 4) ACBL Region 7 Director
- 5) ACBL President
- 6) ACBL Executive Director

C. If one person functions as both District Administrative Secretary and District Treasurer at the same time, he or she is entitled to the combined free plays indicated for both positions as specified in Article 2(B) above.

D. Free entries may only be used in District Open Regionals, not in District Non-Life Master (NLM) Regionals.

3. Membership in District

District 8 shall adhere to the regulations of the ACBL regarding memberships and geographical boundaries and will exercise options as provided for in the ACBL Bylaws.

4. District Board Meetings

A. Meeting Format, Motions, and Meeting Minutes

- 1) District 8 Board meetings may be held via videoconferencing or in person. Videoconferencing is the preferred method in District 8.
- 2) Board members must submit any New Business motions, fully stated in writing (email is preferred), at least seventy-two (72) hours before the scheduled board meeting to the Administrative Secretary and President. For the board to hear New Business Motions without seventy-two (72) hours advanced notice requires the approval of two thirds (2/3) of the present voting board members at the meeting.
- 3) The District 8 Administrative Secretary is responsible for the following:
 - a) Sending the meeting agenda and documents to board members per District 8 Bylaws
 - b) Taking minutes at the board meeting

ACBL District 8 Standing Rules

- c) Producing and distributing a draft copy of the meeting minutes within thirty (30) days of the meeting to board members for comments
- d) Submitting board meeting minutes for approval at the next scheduled board meeting. The Secretary will append a Summary of all Approved Email Actions and Motions since the last board meeting to the Approved Board Meeting Minutes to become part of the Official Record. This Summary will not include the email voting chain.
- e) Sending the final approved meeting minutes, appended with a Summary of Approved Email Actions and Motions, to the District 8 Webmaster for posting to the District 8 website within two (2) weeks of final approval of the minutes

B. Voting

- 1) Each member Unit is entitled to one vote per Director, if present, for a maximum total of three (3) votes per Unit.
- 2) Agenda Items - Absent Director may give written authorization for a vote on a specific agenda item to the District Administrative Secretary prior to the stated meeting, otherwise the Unit is entitled to the number of votes as represented by the Directors present.

C. Attendance

Three consecutive absences from scheduled Board meetings will result in automatic removal from the Board.

5. District Email Voting

A. District 8 may conduct voting by email, outside of Board meetings, as granted by the statutes of Illinois for Not-for-Profit organizations.

B. There are two ways in which email votes may originate. As long as the President is one of the three voting members on the District Board from his or her Unit, then the President may send out an email vote directly to the board with his or her own proposals. Alternatively, any voting board member may send the President a proposal and request an email vote. Only the President can send out an email vote to the Board. The process is as follows:

- 1) The motion, proposal, or action being requested must be clearly stated in the requesting email.
- 2) If the District President agrees with the proposal or action, the President will forward the email proposal to the other eleven (11) voting Board members and CC the Administrative Secretary. If the President does not agree, he or she will deny the request, and the motion must be taken up at the next scheduled board meeting or at a special meeting called for that specific purpose, assuming there are sufficient board members requesting the special meeting according to District 8 Bylaws.
- 3) All board members must reply to the vote via email with a clear Positive or Negative response and use REPLY ALL so that everyone can see all the votes. Even the board member who submits the proposal must indicate his or her reply to the email vote.
- 4) Per current Illinois law, the email motion, proposal, or action is approved only if the vote is unanimous. Therefore, voting by email is not recommended where discussion will most likely be necessary or helpful to reach a consensus.
- 5) The President will notify the Board members and Administrative Secretary when the email vote is complete and whether the motion has passed or failed.
- 6) The Administrative Secretary will create a chronological Summary of Approved Email Actions and Motions, including the dates approved, and also retain a separate corresponding record of each approved voting "email chain" in the Official Records of District 8 Board Actions. The Secretary will append this Summary of all Email Votes approved since the last District Board meeting to approved Board Meeting minutes before posting to the District 8 website.
